

DESIGNATED RESPONDER COORDINATORS

for Receiving Reports and Inquiring into
ADULT ABUSE, NEGLECT & SELF-NEGLECT

RICHMOND

Within Vancouver Coastal Health, certain programs have responsibility for coordinating the response to suspected abuse, neglect and self-neglect. The program that you contact should be determined by the presentation and location of the adult with whom the concern is about. . It is the responsibility of the licensee to ensure all resident abuse situations are reported to licensing.
